

# THE CRUSH CONNECTION

## FROM HOME PLATE

It's been a minute since I've had the chance to share an update so I wanted to take a moment to reflect on everything happening at Crush Kickball.

Beyond the field, one of the most exciting milestones is the completion of our 501(c)(3) nonprofit status through Crush Cares. This allows us to expand scholarship opportunities, provide support to families in need, and make an even greater impact in our schools and community both on and off the field.

Our PrimeTime (adult) league also exceeded expectations this spring with registrations nearing 90 made up of former Crush players, parents, friends, and community members. Friday nights was a fantastic reminder that kickball truly is a sport for all ages.

Heat Busters (our indoor summer league) is also nearing the finish line wrapping up on the 30<sup>th</sup>. While the rest of summer is quieter on the field, Crush is busy planning new programs, strengthening partnerships, and preparing for an exciting fall season. The future of Crush Kickball has never looked brighter.

Thank you for being part of this journey. Whether you're a player, parent, coach, volunteer, sponsor, or supporter, you are helping us build something special. See you on the field,

*Tracy*  
OWNER/PRESIDENT
