

ClassWallet Registration Instructions - Crush Kickball

Step 1: Register Your Child

Visit the Crush Kickball registration page and complete your child's registration (link to be provided).

When you reach the payment section, you have two options:

Option 1: Pay with a Credit/Debit Card (Reimbursement Option)

1. Complete the registration and pay using your personal credit or debit card.
2. Save the emailed receipt you receive from Crush Kickball.
3. Log into your ESA ClassWallet account.
4. Upload the receipt to your ClassWallet account under the reimbursement section.
5. Once the funds are reimbursed to you, no further steps are needed.

Option 2: Pay a Vendor Directly Through ClassWallet (Preferred Option)

1. During the Crush Kickball registration process, skip the payment section and proceed without entering payment.
2. After completing the registration form, log into your ESA ClassWallet account.
3. Go to the "Pay Vendor" section.
4. Search for and select Crush Kickball LLC as the approved vendor.
5. Enter the exact registration amount due (you can find this in the registration confirmation email).
6. Upload a copy of the emailed receipt from Crush Kickball (sent after registration).
7. Submit the payment request.

Step 2: Confirmation

Once payment is received through ClassWallet, your Crush Kickball account will be updated, and your child will be officially registered for the season.

You will receive a confirmation email from Crush Kickball once payment is verified.
